Lexington, Kentucky

Road Closure: Accessing UK Good Samaritan Hospital and Medical Plaza

Beginning July 22, 2009, the city of Lexington will close S. Limestone between Avenue of Champions (Euclid Avenue) and Vine Street for infrastructure repairs and improvements. This closure will affect traffic to and from UK Good Samaritan Hospital.

The following routes are recommended for patients accessing UK Good Samaritan:

Nicholasville Road/South Limestone (US 27): Patients who normally travel to UK Good Samaritan via Nicholasville Road/S. Limestone should instead use Harrodsburg Road or Tates Creek Road.

Harrodsburg Road/South Broadway (US 68)*: Follow South Broadway to Maxwell Street. Turn right onto Maxwell Street and proceed to S. Limestone. Immediately after crossing S. Limestone:

- For hospital parking, turn right into the hospital driveway and proceed to the parking garage straight ahead.
- For the Good Samaritan Office Building, take the first left.
- For the Good Samaritan Professional Arts Center, take the second left.

* **Please note:** While it will be possible to proceed down South Limestone to Virginia Avenue before detouring to Broadway, heavy congestion and traffic delays are expected in this area. We recommend you use New Circle Road, Pasadena Drive or Waller Avenue to access Harrodsburg Road and proceed to Maxwell.

Tates Creek Road (KY 1974): Tates Creek Road becomes High Street as you enter downtown – continue on High Street to Upper Street. Turn left onto Upper Street and proceed to Maxwell Street. Turn left onto Maxwell Street. Immediately after crossing S. Limestone (US 27):

- For hospital parking, turn right into the hospital driveway and proceed to the parking garage straight ahead.
- For the Good Samaritan Office Building, take the first left.
- For the Good Samaritan Professional Arts Center, take the second left.

Please note that construction may change these directions at any time. Please call UK HealthCare at **859-257-1000** or **1-800-333-8874** (toll free) if you need help with alternate routes.

Up-to-date maps and directions can be found online at ukhealthcare.uky.edu/pdfs/limestone_detour.pdf.

From Versailles Road (US 60): Versailles Road becomes Maxwell Street as you enter downtown Lexington. Continue on Maxwell to S. Limestone. Immediately after crossing S. Limestone (US 27):

- For hospital parking, turn right into the hospital driveway and proceed to the parking garage straight ahead.
- For the Good Samaritan Office Building, take the first left.
- For the Good Samaritan Professional Arts Center, take the second left.

From Richmond Road/Main Street (US 25/US 421): Turn left onto Upper Street and proceed to Maxwell Street, turning left. Immediately after crossing S. Limestone (US 27):

- For hospital parking, turn right into the hospital driveway and proceed to the parking garage straight ahead.
- For the Good Samaritan Office Building, take the first left.
- For the Good Samaritan Professional Arts Center, take the second left.

Other routes to UK Good Samaritan are not expected to change.

Use of Rose Street for through traffic is not recommended, as heavy congestion and delays are expected there.

Exiting

All drivers leaving the hospital grounds will exit onto Maxwell Street (a one-way street) traveling east.

Northbound, westbound and southbound : Use Martin Luther King Jr. Boulevard to reach High Street or Main Street.

Eastbound and Tates Creek Road-bound: Remain on Maxwell Street to connect to Rose Street or continue following Maxwell to Tates Creek Road.
