

Best Doctors in America®

Sixty-four physicians at UK HealthCare have been named to this year's list of **Best Doctors in America®**. **Best Doctors®** surveyed more than 31,000 physicians and asked them: "If you or a loved one needed a doctor in your specialty, to whom would you refer them?"

UK has more physicians on the list than any other hospital or medical center in the Commonwealth of Kentucky. The following UK physicians were honored in this year's list of **Best Doctors in America**:
