

Shadowing Contact Information

UK Nursing Career Resource Center - Chandler H-172

Thank you for agreeing to be a contact for the Shadowing program. This program is coordinated and organized by the UK Nursing Career Resource Center. If you have any questions, please contact Sue H. Strup, MEd, MSN, RN, Nurse Career Consultant at sue.strup@uky.edu or #859.323.3169.

Shadowing is one way to learn more about a particular career. Shadowing is typically a half-day or one-day observational experience that offers a glimpse into a typical workday in a specific career field. It is up to the nursing student or nursing professional to make the initial contact with you to schedule a mutually convenient time to shadow. They have been sent the *Shadowing Program Guidelines* <http://www.ukhealthcare.uky.edu/nursing/career-center/> and have been asked to be respectful of your schedule, and to show up on time and conduct themselves in a professional, businesslike manner. Please make sure your manager/supervisor approves of you having a student or RN shadow you. Thank you!!
